Carver Elementary School is the Early Childhood Education Center (ECEC) housing special education preschool, Headstart, and state preschool. The Headstart and state preschool creates a campus of typical peers to meet the requirements for Local Education Agency. The ECEC campus currently houses 13 special education classrooms, one state preschool (typical peers), and one Headstart (typical peers) classroom. All classes are offered in the morning and afternoon. This creates a campus environment allowing special education preschool age children access to typical peers for socialization and modeling.

A License to Use Agreement between Orange County Headstart, Inc. (OCHS) and the Garden Grove Unified School District has been amended (renewal) to provide services to preschool age low-income and special students of the district from September 1, 2016, to June 30, 2017. The OCHS shall operate an Early Childhood Education Center program on the property located at Carver Early Childhood Education Center, 11150 Santa Rosalia Street, Stanton, CA 90680. Having Headstart continue on the campus brings another opportunity for Garden Grove parents having limited income access to early childhood education.

It is recommended that the Board approve the renewal of the License to Use Agreement between Orange County Headstart Inc. and the Garden Grove Unified School District to provide services to preschool age low-income and special education students of the district. Agenda Item 5 – D: Local Educational Agency Plan

The Local Educational Agency Plan (LEA Plan) is required by all districts in California that receive funds under the Elementary and Secondary Education Act (ESEA) of 1965. The district is required to revise the plan annually and update goals and objectives as appropriate. In addition, LEAs identified for Program Improvement are to revise the LEA Plan in consultation with parents, school staff, and others. Revisions to the plan are based on analysis of district and school site API, AYP, and district goals data.

The No Child Left Behind Act requires LEAs identified for Program Improvement to develop a plan that includes the following items:

- Implementation of a standards-based/standards-aligned core and intervention curriculum in reading/English-language arts and mathematics for all students
- Providing professional development in research-based strategies and materials that strengthen the core academic program
- Targeted instructional support for all students not meeting proficiency targets, especially English learners, students with disabilities, and any high priority students not meeting standards
- Use of data to inform decisions about programs and practices, and specific objectives that address teaching and learning needs of low achieving schools and students
- Inclusion of strategies to promote effective parental involvement

The district's Local Educational Agency Plan has been updated and developed based on multiple forms of data including the English Learner Subgroup Self-Assessment (ELSSA) report, Local Control Accountability Plan (LCAP), and District Strategic Plan.

Agenda Item 6 – A: Annual Budget Report 2016-17

Education Code Section 42127(a) requires each school district to adopt a budget and file with the county superintendent of schools on or before the first day of July of each year.

The Local Control Funding Formula (LCFF) has replaced the long-standing Revenue Limit Calculation beginning in 2013-14. The LCFF creates base, supplemental, and concentration grants in place of revenue limits and most state categorical programs. Until the LCFF is fully implemented, we will receive roughly the same amount of funding as 2012-13 plus an additional amount each year to bridge the gap between current funding levels and the new LCFF target levels. Full implementation is expected by 2020-21.

Components of the LCFF include:

- Base grant amount that varies by grade level
- 10.4 percent on the base grant amount for kindergarten through grade three for an average class size of 24 pupils in K-3
- 2.6 percent adjustment on the base grant amount for grades nine through twelve
- Supplemental grant equal to 20 percent of the adjusted base grant to targeted disadvantaged students. Targeted students are those classified as English learners, eligible to receive free or reduced price meals, foster youth, or any combination of these factors (unduplicated count). The 2016-17 rolling average unduplicated count for GGUSD is estimated to be 76.59 percent.
- Concentration grant equal to 50 percent of the adjusted base grant for targeted students exceeding 55 percent of an LEA's enrollment

The Annual Budget contains statements of revenue, expenditure, and changes in balances in the following funds:

General Fund (#01)	Building Fund (#21)
Adult Education Fund (#11)	Capital Facilities Fund (#25)
Child Development Fund (#12)	School Facilities Fund (#35)
Cafeteria Account (#13)	Special Reserve Fund - Capital Projects (#40)
Deferred Maintenance Fund (#14)	Self Insurance Fund (#67)

The proposed budget has been available for public inspection from May 31, 2016, through June 7, 2016.

It is recommended that the Board adopt the Annual Budget Report for 2016-17 (Board Report 6/21/16-3) and authorize its filing with the Orange County Superintendent of Schools.

On motion of Trustee _____, seconded by Trustee _____, and _____, the Board of Education adopted the Annual Budget Report for 2016-17 (Board Report 6/21/16-3) and authorized its filing with the Orange County Superintendent of Schools.

Agenda Item 6 – B: Resolution No. 5 – 2016-17 Education Protection Account

On November 6, 2012, the voters approved Proposition 30. Proposition 30 added Article XIII, Section 36 to the California Constitution effective November 7, 2012, which creates in the state's General Fund an Education Protection Account (EPA) to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f). Starting in the 2012-13 school year and by June 30 of each year, the State Director of Finance shall estimate the total amount of additional revenues that will be derived from the incremental increases that will be available for transfer into the EPA during the next fiscal year. The monies shall not be used to pay any costs incurred by the legislature, the governor, any agency of state government, salaries or benefits for administrators or any other administrative cost. The allocation to the EPA funds reduces the district's State Aid amount, and does not result in any new funding to the district. The district's estimated amount of 2016-17 EPA funds is \$53,925,789, and is intended to be spent on instruction function expenditures.

A resolution is required by the governing board to authorize that the monies received from the EPA shall be spent as required by the California Constitution, and the spending determinations shall be made in open session of a public meeting of the governing board. The district must also annually post an accounting of the amount received and spent from the EPA on its website.

It is recommended that the Board adopt Resolution No. 5 which authorizes that the monies received from the Education Protection Account be spent as required by Article XIII, Section 36 of the California Constitution, and the spending determinations have been made in open session of a public meeting of the governing board.

On motion of Trustee _____, seconded by Trustee _____, and _____, the Board of Education adopted Resolution No. 5 which authorizes that the monies received from the Education Protection Account be spent as required by Article XIII, Section 36 of the California Constitution, and the spending determinations have been made in open session of a public meeting of the governing board.

Agenda Item 6 – C: Resolution No. 6 – Interfund Transfers of Special or Restricted Monies

The state's future fiscal health, and the district's current commitment to capitalized projects and other one-time expenditures, may cause cash flow problems in which the district may need to borrow cash from other sources to cover normal operational expenses. Internal or external options for cash management are available such as temporary (internal) interfund borrowing, or external options such as Tax Revenue Anticipation Notes (TRANS), or borrowing from the Orange County Treasurer. The district is electing to prepare for borrowing between district funds, should it become necessary, in fiscal years 2016-17, 2017-18, and 2018-19 to meet cash flow needs in General Fund 01. Education Code Section 42603 allows the district to borrow between funds temporarily to address cash flow shortages.

It is recommended that the Board adopt Resolution No. 6 which authorizes for fiscal years 2016-17, 2017-18, and 2018-19 to temporarily transfer funds between the Fund 01, 11, 12, 13, 14, 21, 25, 35, 40 or 67 provided that all transfers are approved by the Superintendent or her designee.

On motion of Trustee _____, seconded by Trustee _____, and _____, the Board of Education adopted Resolution No. 6 which authorizes for fiscal years 2016-17, 2017-18, and 2018-19 to temporarily transfer funds between the Fund 01, 11, 12, 13, 14, 21, 25, 35, 40 or 67 provided that all transfers are approved by the Superintendent or her designee.

Agenda Item 6 – D: Award of Contract to Palo Alto Networks, Inc. for the Purchase of Internet Security Bundle Products and Services (Master Price Agreement No. AR626; California Participating Addendum No. 7-14-70-11)

The district requires a state-of-the-art internet security bundle which includes threat prevention, filtering, and support for both the school sites and the district office. The State of Utah, in association with the National Association of State Procurement Officials and the Western States Contracting Alliance, awarded Master Price Agreement No. AR626, to Palo Alto Networks, Inc. The State of California approved the use of this agreement on March 2, 2015, through the California Participating Addendum No. 7-14-70-11. The term of the California Participating Addendum is valid to May 31, 2019.

On May 5, 2015, the governing board awarded a contract to Palo Alto Networks, Inc. for the purchase of products and services on an as-needed basis. Pursuant to Public Contract Code sections 10298, 10299, and 12100 et seq, the district may utilize contracts awarded by the California Department of General Services. The savings to the district are significant, and the use of this agreement would expedite delivery of needed products and services to the district.

As allowed under the California Participating Addendum No. 7-14-70-11, Accuvant, Inc. was an authorized Palo Alto Networks reseller able to receive purchase orders, invoice, and receive payments on behalf of Palo Alto Networks. However, since that time, district staff has been informed that its authorized reseller, Accuvant, Inc. is now conducting business as Optiv Security.

It is recommended that the Board approve the award of a contract to Palo Alto Networks, Inc. with Optiv Security, Inc. as an authorized reseller, to purchase internet security bundle products and services which include threat prevention, filtering, and support (Master Price Agreement No. AR626; California Participating Addendum No. 7-14-70-11).

Agenda Item 6 – H: Annual Insurance Report – Property, Casualty, and Excess Insurance

The annual insurance report represents estimated rates for 2016-17. Rates are obtained from the district's joint powers authorities and insurance advisors. The joint powers authorities are: 1) Southern California Regional Liability Excess Fund (ReLiEF); 2) Schools Association for Excess Risk (SAFER); and 3) Schools Alliance for Workers' Compensation Excess-II (SAWCX-II). The governing board authorized participation in ReLiEF in 1986 with the purpose of securing the most economical property and liability coverage, and approved membership in SAWCX in 2007 for excess workers' compensation liability coverage.

The estimated contribution rates for 2016-17 reflect adjustments in average daily attendance, property and equipment values, loss experience modification factors for both property and liability during previous years, and historical loss experience from the workers' compensation program. Based on the level of coverage and overall cost, continued participation in joint powers authorities is recommended for excess liability coverages.
