5. PROGRAMS AND INSTRUCTION

Agenda Item 5 – A: Memorandum of Understanding with the California Association for Bilingual Education – i3Project 2-INSPIRE Parent Leadership Development Program

The California Association for Bilingual Education (CABE) and the Garden Grove Unified School District have had a collaborative partnership since 2006 in supporting English Learner parents by giving them the tools to increase their capacity to support their children's educational needs.

The California Association for Bilingual Education was 1 of 20 agencies awarded the Innovation (I-3) Development Grant (i3 Project 2-INSPIRE Parent Leadership Development Program). This is a four-year grant that will service both Eisenhower and Heritage elementary schools in the implementation of a *3-Level Leadership Development for Parents, in Collaboration with Teachers and Administrators*. This includes parent training in the following areas: their role in their children's education, knowledge of our school systems and curriculum, their role as advocates for their children, and their participation in decision making and school leadership committees. The California Association for Bilingual Education will allocate \$1,500 yearly to program support along with administrative, programmatic, and evaluation activities per site. The district's previous successful partnership with CABE was at Bryant and Russell elementary schools.

It is recommended that the Board approve the Memorandum of Understanding between the California Association for Bilingual Education and Garden Grove Unified School District to support the i3 Project 2-INSPIRE Parent Leadership Development Program at Eisenhower and Heritage elementary schools for four years.

On motion of Trustee \_\_\_\_\_, seconded by Trustee \_\_\_\_\_, and \_\_\_\_\_, the Board of Education approved the Memorandum of Understanding between the California Association for Bilingual Education and Garden Grove Unified School District to support the i3 Project 2-INSPIRE Parent Leadership Development Program at Eisenhower and Heritage elementary schools for four years.

REGULAR BOARD MEETING AGENDA  
March 5, 2013

6. BUSINESS

Agenda Item 6 – A: Acceptance of Second Interim Report

Education Code Sections 42130 and 42131 (a)(1) require that a report covering the financial and budgetary status of the district be submitted to the governing board for the period ending January 31. The report must be approved by the governing board no later than 45 days after the close of the period. The governing board must certify whether or not the school district is able to meet its financial obligations for the remainder of the fiscal year and two subsequent years.

The Second Interim Report for Revenues, Expenditures, and Changes in Fund Balances is submitted for the period ending January 31, 2013. This report uses the 2012-13 First Interim Report as the base and provides a comparison of the actual and projected revenues and expenditures.

Based on available financial information, the governor's proposed budget, and current forecasts, the district may not be able to meet its financial obligations for the balance of the fiscal year and two subsequent fiscal years. In submitting the 2012-13 Second Interim Report, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current and subsequent two fiscal years. Due to California's sluggish economic recovery, it is recognized that if necessary, the school district will continue to implement cuts and recognize savings of \$27.7 million in the current fiscal year, \$28.9 million in budget reductions in 2013-14, and an additional \$30.2 million in 2014-15 to maintain fiscal solvency. With the 2012-13 Second Interim Report submission, the Board is providing a budget reduction plan along with an implementation timeline for fiscal year 2013-14.

The Standards and Criteria Summary Review is presented with the Second Interim Report.

It is recommended that the Board accept the Second Interim Report and certify that the district may not be able to meet its financial obligations for the 2012-13 fiscal year and for two subsequent fiscal years.

On motion of Trustee \_\_\_\_\_, seconded by Trustee \_\_\_\_\_, and \_\_\_\_\_, the Board of Education accepted the Second Interim Report and certified that the district may not be able to meet its financial obligations for the 2012-13 fiscal year and for two subsequent fiscal years.

It is recommended that the Board adopt Resolution No. 21 authorizing revisions to the income to be received and expended in the 2012-13 year, which differ from amounts in the final budget.

Agenda Item 6 – D: Resolution No. 23 – Lease/Lease-Back – Four Schools

Education Code Section 17406 authorizes the governing board of a school district, without advertising for bids, to lease district owned property to any person, firm or corporation for a minimum of \$1 per year as long as the instrument by which such property is let requires the other party to construct (or provide for the construction of) a building, buildings, or improvements upon the subject property, and the title to the subject property (including building or improvements) vests in the school district at the expiration of the lease. The district leases the property (or sections of the property) to a contractor/developer, who builds or improves the property and receives lease payments from the district until the school improvements are paid off (Lease/Lease-Back process or LLB).

A resolution is required by the governing board to authorize a series of inter-related agreements which will allow the execution and delivery of site leases, subleases, and construction services agreements and other acts related to the construction/improvements at Eisenhower, Excelsior, Northcutt, and Woodbury elementary schools. The construction will include modernization improvements for restroom projects which may take place during the summer 2013. These amounts are needed to further qualify for the school facilities project program funds.

Plans and specifications have been approved by the California Division of State Architects for each project. The district requested proposals and qualifications from interested builders and contractors for the improvements, and recommends the accompanying list.

It is recommended that the Board adopt Resolution No. 23 which authorizes the execution and delivery of site leases, subleases and construction services agreements and other acts related to the construction of the Eisenhower Elementary School Project, Excelsior Elementary School Project, Northcutt Elementary School Project, and Woodbury Elementary School Project.

On motion of Trustee \_\_\_\_\_, seconded by Trustee \_\_\_\_\_, and \_\_\_\_\_, the Board of Education adopted Resolution No. 23 which authorizes the execution and delivery of site leases, subleases and construction services agreements and other acts related to the construction of the Eisenhower Elementary School Project, Excelsior Elementary School Project, Northcutt Elementary School Project, and Woodbury Elementary School Project.

The Colton Joint Unified School District has extended its contract with Dave Bang Associates Bid No. 09-01 for the purchase of playground equipment, outdoor site furnishings and Department of State Architect approved shade shelters.
