Agenda Item 4 – A: Expulsion Recommendation

The District Discipline Committee, acting in compliance with Education Code Section 48918, voted on March 21, 2013, to recommend the expulsion of two Garden Grove Unified School District students for violation of Education Code Section 48900 and Education Code Section 48915. The Discipline Committee's investigation of these matters indicates that the severity of these acts calls for the above recommendation to be forwarded to the Board of Education for final action.

It is recommended that the Board approve the recommendation of the District Discipline Committee to expel two students for the balance of the 2012-13 school year and first semester of the 2013-14 school year (student numbers to be included in the official Board minutes).

On motion of Trustee \_\_\_\_\_, seconded by Trustee \_\_\_\_\_, and \_\_\_\_\_, the Board of Education approved the recommendation of the District Discipline Committee to expel Student Nos. \_\_\_\_\_ and \_\_\_\_\_ for the balance of the 2012-13 school year and first semester of the 2013-14 school year.

5. PROGRAMS AND INSTRUCTION

Agenda Item 5 – A: Increasing Summer Athletic Fees

Each summer, high schools in the Garden Grove Unified District provide a Summer League athletics program to current and incoming students. School coaches conduct the leagues, which typically last five weeks in duration for a total of approximately 60 hours. The summer programs fee is one of the fees allowable under state law. Twenty-four years ago, the district began charging \$25 per athlete. That amount has only been increased once to \$28, to reflect an increase in Workers' Compensation benefits. Schools currently receive \$22.70 per paid athlete to support this program.

The current fee of \$28 no longer covers the cost of running the Summer League. Staff researched the fees for comparable summer programs and found that these ranged from a low of \$100 to a high of \$500. Staff is recommending that our current fee of \$28 be raised to \$50 for the five-week program. As with the current fee, schools always work with parents and students to ensure that those who are unable to pay will still enjoy full participation in summer leagues.

It is recommended that the Board grant approval to the district to increase the fees for the summer athletic programs to \$50 per student for a five-week program.

On motion of Trustee \_\_\_\_\_, seconded by Trustee \_\_\_\_\_, and \_\_\_\_\_, the Board of Education granted approval to the district to increase the fees for the summer athletic programs to \$50 per student for a five-week program.
