School Plan for Student Achievement

For

Alamitos Intermediate

GGUSD Mission

To ensure student success, we will provide a rigorous and supportive academic experience that motivates all learners to meet high expectations.

SSC Approved: May 25, 2018

GGUSD Vision

We are committed to preparing all students to be successful and responsible citizens who contribute and thrive in a diverse society.

Board Approved: July 17, 2018.

**CONTENTS OF THE SCHOOL PLAN FOR STUDENT ACHIEVEMENT
ESEA COMPLIANCE/PLAN COMPLETION
California Education Code (EC) Section 64001**

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

The following Plan components are addressed in the School Plan for Student Achievement as indicated below:

SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)

(1) Data Analysis Tool: Comprehensive Needs Assessment

The Data Analysis Tool includes district and site-level data for to support the analysis of school performance and progress. Data is aligned to our District’s Strategic Plan and Local Control Accountability Plan (LCAP).

Data Analysis, Program Analysis, and Needs Assessment, includes data such as the following:

- Academic performance data to determine student needs, State Standardized Assessments
- Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program
- California English Language Development Test (CELDT)/ English Language Proficiency Assessment for California (ELPAC) data
- District Benchmark exams
- After school program data
- School climate and safety data, including California Healthy Kids Survey (CHKS)
- Strategic Plan Survey (Student, Staff, and Parent), Parent Needs Assessment
- Input from stakeholders (advisory committees, parents, community, etc.)
- The relationship between professional development and the successful implementation of core programs or interventions
- Evidence of implementation of monitoring activities in SPSA

(2) Data Review: School Plan for Student Achievement Annual Evaluation

The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards. Monitoring of SPSA action plan and progress toward goals.

- **Highlight Strengths:** Which data reflected strengths for your school? Which prior year action steps have contributed to these areas of strength?
- **Highlight Areas for Growth:** Which data reflected areas of growth needed for your school? How will these areas for growth be addressed in your action steps and

supported by your school's budgeted expenditures? (*new or refined programs, strategies, activities, etc.*)

- **Other Key Findings:** What does your overall data show regarding progress towards goals?

(3) District Goal Statements

School goals to meet the identified academic needs of students. A plan that is consistent with the LEA Plan, aligned to the GGUSD Strategic Plan and LCAP.

- **Goal 1:** All learners will develop the academic skills necessary for continual individual growth towards mastery of standards.
- **Goal 2:** All learners will develop the personal skills necessary to achieve academic and social goals.
- **Goal 3:** All learners will be prepared for lifelong success in their intended career paths.

(4) Action Steps / Schoolwide Reform Strategies (Planned Improvements in Student Performance)

Activities to reach school goals that improve academic performance of students includes:

- Opportunities for all students to meet proficient and advanced levels of achievement in state standards
- Use of evidence-based instructional methods and strategies that:
 - Strengthen the core academic program in the school
 - Increase the amount and quality of learning time and help provide an enriched and accelerated program
 - Deliver an instructional program that provides extended learning time and minimizes removing students from the regular classroom during school hours
 - Include strategies for meeting the educational needs of historically underserved populations
 - Addressing the needs of low-achieving students and those at risk of not meeting state academic content standards
 - Provide effective programs for English learners
 - Address how the school will determine if such needs have been met
 - Are consistent with the state plan and LEA plan
- Instruction by highly effective teachers
- High-quality and ongoing professional development for teachers, principals, and paraprofessionals
- Strategies to attract highly effective teachers to high-need schools
- Strategies to increase parental involvement – detailed in Section B
- Plans for assisting preschool children in the transition from early childhood programs to local elementary school programs
- Measures to include teachers in decisions regarding the use of academic assessments to provide information on, and to improve, the achievement of individual students and the overall instructional program
- Effective, timely assistance for students who experience difficulty in attaining the proficient or advanced level of academic content standards
- Coordination and integration of federal, state, and local services and programs
- Start and completion dates for each action or indication of timeline and target dates

SECTION B

School Parental Involvement Policy (SPIP)

- Strategies to increase parental involvement, including providing individual academic assessment results in a language the parents understand and an interpretation of those results
- Submission to the LEA of any parent comments of dissatisfaction of the SPSA or the Parental Involvement Policy.

COMMON PAGES (SECTIONS C THROUGH F)

SECTION C

Centralized Services and Support for Planned Improvement in Student Performance

- Identify direct services to students and educational support services to school staff provided by district office staff from categorical funds allocated to the school

SECTION D

Budget Information

Programs Included In This Plan

- Identify the state and federal categorical programs in which the school participates and, when applicable, allocations to the school

Capital Outlay and Equipment & Site-LCFF Expenditures

- Describes funding source and justification for capital outlay expenditures

Categorical Personnel

- Lists positions, funding source, and justification of categorically funded personnel

Budget Planning Tool

- Expenditures of funds allocated to the school through the Consolidated Application
- Coordination and integration of federal, state, and local services and programs
- Proposed expenditures and estimated costs for each action in the plan and funding source

SECTION E

School Site Council and English Learner Advisory Committee

- Establishment of the School Site Council (SSC) & Roster
- Establishment of the English Learner Advisory Committee (ELAC) & Roster

SECTION F

Recommendations and Assurances

- Recommendations and Assurances: Signatures verifying assurances
- Plan Approval Page: Recommendation of the SPSA to the district governing board for review and approval

GUIDELINES FOR MODIFICATIONS TO THE PLAN

LIST OF REASONS FOR MID-YEAR REVISIONS

- A major service or activity proves ineffective, and students are at risk.
- Material changes occur that affect the academic programs.
- Staff, equipment, or materials essential to the plan cannot be procured.
- School boundaries or demographics suddenly change. An activity is found to be non-compliant with state or federal law.
- A planned activity is not supported by staff, parents, or students.

PROCEDURES FOR MID-YEAR REVISIONS

- Revise the plan, as needed
- If revising Capital Outlay, use the Capital Outlay Plan Modification Form
- SSC approves revision
- Send modification form and minutes of SSC meeting showing approval of revision to K-12 Educational Services

PROGRAM IMPROVEMENT REQUIREMENTS

The following elements in Title I, Part A, Section 1116, for PI are addressed in the School Plan for Student Achievement as indicated below:

Required PI Plan Elements	Section(s) addressed in Plan
1. Evidence-based Research – Strategies based on scientifically-based research that will strengthen the core academic subjects in school and address the specific academic issues that caused the school to be identified for PI.	Section A (4)
2. Successful Policies and Practices – Adoption of policies and practices concerning the schools core academic subjects that have the greatest likelihood of ensuring that all students (and student subgroups) enrolled in the school become proficient.	Section A (4)
3. Professional Development (PD) A minimum of 10% of Title I funds will be used each year that the school is in PI for the purpose of providing high quality professional development of teachers and principal.	Section A (4) and D
PD meets requirements for qualifications of teachers and paraprofessionals.	Section A (4)
PD affords increased opportunity for participation.	Section A (4)
PD directly addresses the academic achievement problem that caused the school to be identified for PI.	Section A (4)
4. How funds (10%) reserved for professional development will be used to remove the school from PI status.	Section D
5. Description of Specific, Annual Measurable Objectives – Developed for each of the student subgroups and in accordance with the state’s measure of AYP.	Section A (1)
6. Shared Responsibility for Improvement – Specify the responsibilities of the school, the LEA, the SEA, and a description of the technical assistance and fiscal responsibilities to be provided by the LEA.	Section A Section C
7. Parent Involvement – Strategies to promote effective parental involvement.	Section B
8. Extended Learning – As appropriate, activities before school, after school, during the summer and during any extension of the school year.	Section A (4)
9. Incorporation of a Teacher Mentoring Program – Support for teachers and Induction Program	Section A(4) & C

To be included with SPSA for Title I PI Schools

GOAL 1 Data Review

As you review your Goal 1 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<ul style="list-style-type: none"> * Data reflects improvement in the percentage of students who met or exceeded state standards in English Language Arts and Mathematics for the past three years. * Data indicates improvement on District (3rd Qtr) assessments in English Language Arts and Mathematics for the past two years. * Data indicates an increase in ELL meeting proficiency on District Assessments in English Language Arts and Mathematics. However, we are still below the district average at the intermediate level. * Despite changing from a 4 to a 5 point scale, Alamitos shows consistency in areas of self-management/self-regulation, scholarly habits, and work habits for the past three years.
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Contributing factors for areas of strength may include effective instruction and following pacing and curriculum with fidelity, increased capacity to interact with text and academic language, frequent checks for understanding and monitoring student progress in class. Alamitos Intermediate focuses on providing appropriate companion classes and support for ELL and/or students requiring intervention support, re-teaching opportunities, as well as students and parents having access to grades and student progress with the use of student/parent portal for monitoring. In addition, pacing for English Language Arts and Mathematics is reviewed annually to meet the needs of students.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<ul style="list-style-type: none"> * While the overall GPA has slightly increased and the D rate has slightly decreased, the F rate is slightly increased reasoning that students are either mastering standards with a significant group of students still failing in some courses. Alamitos continues to reflect a higher percentage than the district average as well. * Although enrollment is declining, our percentage of English Language Learners is increasing. Despite this, Alamitos is experiencing a decline in the number of students who are reclassifying as English Language Proficient. This is concerning as the percentage of English Learners are reflecting an increase on district assessments in both English Language Arts and Mathematics. * Overall GPA and D/F rates have not reflected significant improvement over the past three years. In addition, Alamitos reflects a higher percentage than the district average at the intermediate level.
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>Alamitos staff will continue to monitor and follow recommended district grading policies, as well as, each department is working cohesively to ensure grading policies are similar within each department. Intervention opportunities for students are reviewed annually and provided for students to acquire and master standards. Teachers will continue to utilize district adopted textbooks and resources, collaborate on effective lesson plans, and follow recommended pacing guides. English Learners will continue to be provided educational support in the development of English by ensuring appropriate placement, appropriate support, and resources, and in class support and extended day/year opportunities. In addition, staff will be provided current research based strategies to meet the changing needs of our student clientele. Budget funding may include personnel, materials and resources, and funding for extended day/year programs.</p>
<p>Other Key Findings: What does your overall data show regarding</p>	<p>It should be noted that the pacing and benchmarks have been reviewed and adjusted for the past three years. English Language Arts also has experienced changes in overall pacing as well. Although the various data sources utilized reflect</p>

progress towards goals?	<p>Alamitos demonstrated growth in state and district assessments for all learners in English Language Arts and Mathematics, the learning process for all students, included English Language Learners required continued reflection as our ELLs are not demonstrating the ability to be reclassified as English Language Proficient. In addition, if data reflects improvement in various data sources of mastery of standards, the overall GPA and D/F rate should correlate as well. Alamitos recently adjusted its department grading policies to be more cohesive and will review the findings over the next few years. While Alamitos reviews grading guidelines each year, consistency among the district has not been reviewed. Alamitos will continue to implement the effective instructional model, continue to train and reflection upon instructional practices with a focus on academic language, literacy skills, conceptual skills, and increase access to technology use to support daily lessons. In addition, Alamitos will review and reflect upon the ELL standards to implement effective strategies in daily lesson to meet ELL needs. Alamitos is currently reviewing ELL standards, gaining background about English Language Learners, and strategies crucial for ELL progress. Extended day interventions are being reviewed for the needs of ELLs (writing, reading comprehension) and peer math tutoring has been implemented.</p>
-------------------------	---

Goal Two | PERSONAL SKILLS

ALL LEARNERS WILL DEVELOP THE PERSONAL SKILLS NECESSARY TO ACHIEVE ACADEMIC AND SOCIAL GOALS.

SCHOOL GOAL 2A: MOTIVATION		Students will demonstrate continued growth in their attitude towards learning.

GOAL 2 Data Review

As you review your Goal 2 data, consider your school’s performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<ul style="list-style-type: none"> * Alamitos attendance rates have increased in the past few years and exceed the LCAP expected outcome as well as, the district average outcome. * Alamitos data reflects consistency and above the district average in areas of Citizenship and work habits. * Strategic plan data reflects that Alamitos continues to improve and stay above the district average on areas such as growth mindset, self-efficacy, and expectations. * In regards to Socio-Emotional Care, Alamitos continues to stay consistent and at/above district average in areas of social awareness, emotional care, a sense of belonging and school connectedness and citizenship. * In reference to maintaining a positive and safe learning environment, Alamitos continues to stay consistent with scores at/slightly above last year's data in climate for support in academic learning, discipline and norms, feeling safe and bullying, and having a clean and well-maintained facilities. * Both students and parents had similar reflection upon the climate overall as shared in the strategic plan survey. However, it should be noted that the number of parents who reflected was a small number. * According to the strategic plan survey, student rated the overall climate higher than the staff, but both staff and students reflect that climate has increased with the past year.
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Alamitos continues to teach and model appropriate self-management and self-regulatory skills to help students grow and meta-cognitively self-monitor their academic progress and make positive choices. In addition, the Alamitos staff focuses on creating a safe place conducive to learning. Efforts are supported by motivational supports and developing the socio-emotional well-being of all students. These events may include programs to support students and staff, such as the Alamitos C3 (Condor Character Counts) program; training for teachers including TESA and PBIS, and partnerships for mentoring students (GRIP, Pure Game, and Rossier Counseling services). Other supports may include motivational assemblies, incentives, mental health support services, anti-bullying/internet safety, and maintaining partnerships with parents via education classes and meetings.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<ul style="list-style-type: none"> * Alamitos has experienced an increase in the percentage of chronic absenteeism in the 2016-2017 school year. However, our numbers are lower than the district average. * Data reflects students feel safe from bullying, however, there are still some incidents reported. * Currently, we do not have suspension rates from the previous years documented.

<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>Alamitos continues to monitor attendance and educate families about the importance of attending school. Partnerships, such as GRIP and mental health Rossier Services, assist with helping students and/or families who need support in regards to school attendance and feeling connected to school. The C3 team and PBIS team continue to focus on lessons and opportunities to focus on character traits, growth mindset, expectations, and making positive choices to enhance school connectedness for all students. Alamitos is currently in PBIS year 2 training and is working to cohesively provide positive, consistent, and clear behavior interventions and supports.</p>
<p>Other Key Findings: What does your overall data show regarding progress towards goals?</p>	<p>The overall data indicates that Alamitos students, staff, and parents in general feel that students are capable of learning and they have a sense of belonging to the school; although there are always areas to continue to focus upon for improvement. Educating parents, staff, and students about social awareness concerns and pathways for success (emotionally and academically) need to be emphasized. Consistency and monitoring of expectations continues to be focused upon as we have seen some growth in areas such as discipline and attendance.</p>

Goal Three | LIFELONG SUCCESS

ALL LEARNERS WILL BE PREPARED FOR LIFELONG SUCCESS IN THEIR INTENDED CAREER PATHS.

SCHOOL GOAL 3A:		District-wide data that are predictive of success after high school will improve annually.

GOAL 3 Data Review

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<p>Goal 3 data reflects high school data and is reflective of the high school where most former Alamitos students attend.</p> <ul style="list-style-type: none"> * Data indicates a slight increase in math in EAP College Readiness. * The Average PSAT scores shows an increase in Reading and Writing and SAT scores indicate an increase in English Language Arts and Math. * Data indicates an increase in the number of students enrolled in AP courses, participating in AP testing, and an increase in the passing of AP assessments. The passing rate is also higher than the district average. * In regards to College/Career Success, 2016-2017 data reflects an increase in the number of students enrolled in postsecondary schools for both 4 year and 2 year college/universities.
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Effective teaching, placement, and preparing students for A-G courses has been the focus of GGUSD at both the intermediate and high schools. The effective teaching model, the use of research based strategies, and increased student scholarly habits may be contributing factors in the number of students showing College Ready and enrolling in AP courses.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<p>Goal 3 data reflects high school data and is reflective of the high school where most former Alamitos students attend.</p> <ul style="list-style-type: none"> * Data indicates a slight decrease in the English Language Arts in EAP College Readiness. * While AP enrollment continues to improve, the number is still less than the district average. * While persistent rates at 4 year university remains consistent, there is a slight decrease in persistent rates at 2 year colleges. * Some data is currently missing from indicate areas in the past.
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>Alamitos will continue to maintain effective teaching practices in all core classes, focus on school-wide and district goals, use and triangulate data for appropriate placement of students, provide intervention and strategic support for struggling students, and focused upon building scholarly habits among students.</p>
<p>Other Key Findings: What does your overall data show regarding progress towards goals?</p>	<p>The overall data indicated that students are continues to aspire, explore, and participate in measures preparing for post-secondary opportunities. Alamitos will continue to prepare students to be A-G ready upon entering high school. Some data is also unknown at this time.</p>

School Plan for Student Achievement Annual Evaluation

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.
Plan Priorities	<ul style="list-style-type: none"> * Delivery of effective instruction with effective lesson delivery and that improves all areas of Literacy to build proficiency in all subject matter closing the Academic achievement gaps within math, ELA, and core subjects for all students. In addition, this will include equal and equitable access for English Learners in all areas for growth and ensure reclassification. This may also include intervention methods for at-risk and/or targeted students. * Continue building self-regulatory skills, and work habits to build motivation, a growth mindset, and enhance the socio-emotional needs of students allowing students to feel secure in the learning process. This goal is two-fold in also improve work habits for positive growth in GPA and improvement in student attendance. * Continue to provide a favorable school community for all stakeholders build upon social awareness, positive climate, consistencies in school-wide expectations (PBIS) and socio-emotional support and promote consistent attendance. * Continue building the awareness of a school-wide goal of college and career readiness.
Plan Implementation	<ul style="list-style-type: none"> * Professional development will continue with the support of district staff, district opportunities, and site-based needs. Teachers receive departmental and individual support through district workshops/ in-services, new teacher training, collaboration with peers and/or TOSA, and county/program training opportunities. New pacing and new Math claims were instituted into this school year for Math teachers and students. New Science standards were also taught this year, requiring additional training for science teachers. Training occurred in 2018 focused on the awareness and reflection upon current needs of English Learners at Alamos. Focus for 2018-2019 will continue to focus upon meeting the literacy needs of all students to support access to content standards in core classes. Staff will continue to review equal and equitable access for English Learners with the increased use of Literacy to build upon reading comprehension, listening/speaking, and writing skills. Departments will continue to review grading guidelines as well. * Teachers have increased the teacher collaboration process by moving to weekly collaboration for 2018-2019 to further meet the instructional needs of students. * Student interventions and student PD may include site based training in note-taking, how to study for the Core 4, awareness of A-G requirements, and self-regulatory skills. Interventions may include placement in companion classes, targeted tutoring, and/or opportunities and promotion of the use of the Homework Center.

	<ul style="list-style-type: none"> * Alamitos has completed its 2nd year in PBIS and have developed a strong core group of teachers focused on building school-wide lessons that all teachers implement and follow. The C3 (Condor Character Counts) program continues into Year 3, year A infusing lessons on positive school climate, scholarly habits, positive character traits, and growth mindset. To meet the increasing needs of socio-emotional support, additional hours of counseling/therapy sessions have been submitted to increase opportunities for students. * CCGI and lessons are implemented with both grade levels focused on lessons to exposure to student inventory, awareness of colleges, and A-G requirements. AVID/ AVID Excel classes focus upon self-regulatory skills to assist students in core classes. Exposure and lessons focused on college-bound activities occur within the program (college faire, college field trips, and college projects).
<p style="text-align: center;">Strategies and Activities</p>	<ul style="list-style-type: none"> * Instructional support strategies that have been initially effective include newly Targeted tutoring (Reading Comprehension, Writer's Camp, AVID Tutors/ Peer Tutors for Math) and the continuation of Homework Center Drop In. In addition, staff development at District and Site level has provided instructional support for all staff. The use of the Homework Center will be examined as to how to support At-Risk Students with assigned days and a set program. * The use of the C3 program, PBIS, and Student in-services from AVID based strategies (WICOR) will continue next year to support students. The addition of Self-Regulatory skills of How to Study for the Core 4 will continue next year. All areas support the district FAR model. * PBIS, C3, and GRIP Mentoring will continue this year in order to focus on consistent messages of school expectations, growth mindset, and motivation as outlined in the Strategic Plan. The mentoring program could be reviewed to work with at-risk students who need assistance in making positive choices. Additional hours in counseling have been added to assist in the increasing support of socio-emotional needs of our students. * CCGI lessons and AVID/ Excel focus on college-career opportunities for students.
<p style="text-align: center;">Involvement/ Governance</p>	<p>SSC was involved by reviewing the school data and allowing the staff and ELAC review the current data before reflecting upon areas of growth and areas of concern. SSC reviewed the data and suggestions in February, 2018. ELAC reviewed academic supports in place for English Language Learners and the School Parental Involvement Plan, as well as, shared information from parents from DELAC and Parent Task force meetings. Information from parents and staff (Instructional Leadership Team) was suggested in the review of the School Action Steps and the school plan before submission for final evaluation from SSC in May, 2018.</p>
<p style="text-align: center;">Outcomes</p>	<ul style="list-style-type: none"> * Students showed growth in Academic Achievement in Benchmarks and State Standards. Alamitos continues to see improvement in English Language Arts and Mathematics. The use of effective planning, instructional supports and strategies, effective lessons, following pacing and programs with fidelity, and training students with self-regulatory skills and positive work habits are believed to be factors contributing to this growth. Consistency among school-wide goals also contributed to the literacy of all students. * During the 2017-2018 school year, Alamitos focused more on the needs of English Language Learners to assist in access to core standards, while provided targeted assistance in extended day programs. All teachers participated in school-wide professional development to focus upon effective strategies and needs of our English Language learners. * With a focus on creating a positive learning environment in class and school-wide, students are able to feel comfortable, take ownership, and develop their academic skills. With increased in counseling services (2017-2018), the C3 program, PBIS, school supports, and community partnerships are allowing students to feel safe, comfortable, and have safe place to receive assistance. As a result, we have seen a slight increase in GPA in all students, however we still need to review the increased gap for English Language Learners. PBIS will continue to be utilized in assisting students with making positive choices to support school expectations to increase student morale and with a goal to decrease suspension rates. *CCGI will continue to be used to expose all students to the path of college and career readiness.

California Education Code Section 64001(g): Form G

Section A: Planned Improvements in Student Performance

Goal One | ACADEMIC SKILLS

ALL LEARNERS WILL DEVELOP THE ACADEMIC SKILLS NECESSARY FOR CONTINUAL INDIVIDUAL GROWTH TOWARDS MASTERY OF STANDARDS.

SCHOOL GOAL 1A: ACADEMIC CONTENT		Students will demonstrate continued growth in all content areas with an emphasis on critical thinking and problem solving.

School Parental Involvement Policy: 2018-19

Involvement of Parents in the Title I Program & Building Capacity for Involvement

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

PARENTING: Help all families establish home environments to support children as students.

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.**
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.**

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

- * The schedule of parent meetings and parent education opportunities are disseminated to parents through electronic messaging, school website, school messenger, social media, and school newsletters/letters.
- * A calendar of bell schedules, parent meetings, and events is communicated with parents via the school website, newsletters, PeachJar, and/or school flyers sent home.
- * Parent meetings include English Language Advisory Committee (meets 3-5 times a year), School Site Council (meets approximately 3-5 times a year), Back to School Night (September, 2018), Open House (April, 2019), IEP/ Transition meetings (annually), Parent Education (Fall/ Spring), Parent Teacher Organization (usually monthly), and individual parent meetings may be held upon request.

COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.**
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities,**

and parents of migratory students. Information and school reports are provided in a format and language that parents understand.

5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

* The school developed and revisited the policy for review with parent input gathered through parent meetings involving ELAC meetings and School Site Council.

* The school distributed the policy via the website.

* The school shares with parents the policy at parent meetings, back-to-school night, open house, parent education, and a copy of the policy is available in the office.

VOLUNTEERING: Recruit and organize parent help and support.

6. Our school provides support for parental involvement activities requested by Title I parents.

7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

* The annual parent survey provides parents an opportunity to provide input into parent involvement needs. These results from the survey are shared with staff and parents, which help to guide the action planning process for the school site.

* Through staff meetings and professional development opportunities, teachers and staff are education about the value of parent contributions and how to work with parents as equal partners.

* Staff help facilitate parent education programs, such as 10 Educational Commandments, 40 Developmental Assets, AVID parent night, etc.....

* Parents are invited to participate in district special tasks force programs.

LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculum-related activities, decisions, and planning.

8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

* Our school disseminates information about curriculum and assessments at other parent meetings, which may include English Language Advisory Committee, (ELAC), PTO, IEPs, individual parent meetings, Academic Intervention meetings, AVID parent nights, etc.

* Parent nights may also include explanation of the Academic Content Standards and assessments.

* Additional information about curriculum and assessment may be included in parent education opportunities, such as 10 Educational Commandments, 40 Developmental

Assets.

DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.

- 10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**
- 11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

- * The school invites parents to participate in the School Site Council and other parent committees. Parents are also involved in reviewing the data and in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey.
- * Parents of the English Language Advisory committee advise the School Site Council with recommendations towards the school plan and parent involvement.

COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.

- 12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources
- Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites
- Coordinating parent education and community outreach meetings

Our school has designated staff and/or school-community liaisons that provide outreach to families, serve as a resources for parents, and collaborate with the community to support parents and families. The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

SCHOOL-PARENT COMPACT

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- **The school's responsibility to provide high-quality curriculum and instruction**

- The ways parents will be responsible for supporting their children’s learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child’s class; and opportunities to observe classroom activities

[Upload a copy of the compact to DTS.]

**SECTION C: FUNDING FOR TITLE I
SSC APPROVAL IS NOT REQUIRED
DISTRICT LEVEL FUNDING**

TITLE I	DIRECT CATEGORICAL SUPPORT SERVICES - DESCRIPTION OF SERVICES TO BE PROVIDED – APPROVAL NOT REQUIRED
	<p>Teachers on Special Assignment (TOSAs) provide staff development opportunities and guidance in areas related to the School Action Plan. Staff development on research-based instructional strategies include:</p> <ul style="list-style-type: none"> • Literacy development across the curriculum • Instructional strategies in mathematics • Language acquisition for English learners • Content area strategies • Intensive intervention • Scholarly habits and motivation
	<p>Parent and Community Outreach works as a division of the Office of K-12 Educational Services to provide guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:</p> <ul style="list-style-type: none"> • Providing professional development opportunities in parent education programs • Serving as a link to parent and community resources • Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites • Coordinating parent education and community outreach meetings
	Supplemental transportation to after-school program for at-risk students.
	Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12.

TITLE I	INDIRECT SUPPORT FROM CATEGORICAL CENTRALIZED SERVICES - DESCRIPTION OF SERVICES TO BE PROVIDED- APPROVAL NOT REQUIRED
	<p>Centralized services include the coordination of overall state and federally funded programs, articulation between schools, district, county, and assistance in the following:</p> <ul style="list-style-type: none"> • Developing and monitoring the school budget and preparing financial reports; • Monitoring the implementation of state and federally funded programs; • Training and guiding of School Site Councils (SSC) and school staffs in the development and writing of the school plan; • Coordinating staff development in areas of emphasis and serving as a resource in additional areas. • Indirect costs at state approved rate, other centralized services costs such as printing, maintenance, other services.
	<p>Evaluation services are provided for the collection of test data and the completion of evaluation reports for local schools, district, and state. Other services can include training for school site councils and school staffs in the areas of research design, tests, measurements, and evaluation techniques. In addition, guidelines and assistance are provided to the schools to meet the District’s evaluation requirements. Evaluation summaries are presented to the Board of Education and are available at each school.</p>

SECTION C: OVERVIEW OF CATEGORICAL SERVICES

DIRECT SERVICES (K-12)

- Teachers on Special Assignment (TOSAs) provide guidance in (1) The planning process, (2) The review process, and (3) Writing the needs assessment. They meet with the Leadership Team, staff, and School Site Council to assist in analysis of the school program and determination of needs. TOSAs assist each school with staff development. This assistance may include helping determine what sessions are needed, finding resources to provide in-services, and/or conducting in-service sessions such as co-planning and co-teaching. Staff development may be scheduled after school, as a release day at the local school, or at the district office with other schools. Staff development topics include: implementation of standards-based instructional strategies, literacy development across the curriculum, mathematics, language acquisition for English Learners, other content area strategies, Systematic English Language Development (ELD), Constructing Meaning, training, and other supplemental Specially Designed Academic Instruction in English (SDAIE).
- School Testing Assistants work with school personnel to schedule and perform student skills testing at schools.
- Parent and Community Outreach works as a division of the Office of K-12 Educational Services to provide guidance, support, and training to teachers, administrators, and support staff. The activities of the Parent and Community Outreach include (1) Providing professional development opportunities in parent education programs, (2) Serving as a link to parent and community resources, (3) Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites, and (4) Coordinating parent education and community outreach meetings.
- Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12 and other self-regulatory programs.
- The Boys & Girls Clubs of Garden Grove provides after school programs (ASES and ASSETs) and Mc-Kinney-Vento services.
- Title I funds are utilized to support the 10th and 11th grade administration of the PSAT. SAT preparation classes are offered to all high school juniors at a reduced rate.
- Intervention teachers and supplementary intervention curriculum materials have been funded to support students who are most at-risk. These teachers and materials have been funded to provide additional intensive supports and effective interventions to help all students meet the state academic standards. Funds will also be used for the development and implementation of Alternative Programs to increase opportunities for students in meeting academic standards and high school graduation requirements.

INDIRECT SERVICES (K-12)

- The Departments of K-6 and 7-12 Instruction and K-12 Educational Services coordinate centralized and district resources to assist each school in meeting project requirements and providing quality programs.
- The Office of K-12 Educational Services provides information regarding budget categories, legal expenditures, and compliance.
- The Assessment and Registration Center (ARC) assists principals and individual teachers in providing assessments, translation, personnel, materials, and staff development to meet the needs of English Learners.
- Counselor on Special Assignment (COSA) provides guidance for counselors, supplemental counselors, and administrators regarding placement, A-G and graduation requirements. COSA organizes and plans implementation of various programs related to college readiness, such as PSAT/SAT prep classes, AP, and scholarships. COSA also plans and implements support services for at-risk students, such as credit recovery, summer school, and academic review.
- The Department of Evaluation and Research assists schools in evaluating their ongoing programs as well as assisting with appropriate testing and year-end evaluation procedures.

GENERAL FUNDED DISTRICT SERVICES FOR STUDENTS (K-12)

- All English Learners receive an English language development program designed to meet their instructional needs.
- Upon request of the school, a district worker from the Office of Student Services makes home calls as needed regarding health, attendance, etc.
- The vocal music teacher provides music experiences to students in grades 1-6.
- Instrumental music instruction is offered to students in grades 4-6.
- Students are screened for health problems and referred to appropriate services as necessary. At the elementary level, a district health assistant provides health services for 3 hours per day.
- At the elementary level, parent conferences are regularly scheduled to inform parents of student progress and to aid them in assisting their children at home, and at the secondary level conferences are scheduled as needed to inform parents of student progress towards graduation.
- The Speech and Language pathologist screens students referred by the teacher and/or Student Study Team. The pathologist consults with the teacher regarding the speech and language needs of students.
- Following Student Study Team meetings and referral for assessment, a school psychologist coordinates assessment for students and makes appropriate recommendations to an IEP team.
- Students who qualify for special education may receive instruction and/or designated services following the recommendation of an IEP team.
- The Office of Special Education coordinates services of the speech and language pathologists, school psychologists, adapted physical educational teachers, and other appropriate services in identifying and providing services for individuals with exceptional needs.
- Gifted and Talented Education assists principals and individual teachers in identifying and providing for the needs of gifted and talented students.
- Other district services (i.e. music, art, libraries) supplement the school site's base program as appropriate to the school's needs and plans.

SECTION D: PROGRAMS INCLUDED IN THE SCHOOL PLAN

Directions: Check the box for each state and federal categorical program in which the school participates.

SITE LEVEL SERVICES		CENTRALIZED SERVICES			
STATE FUNDED PROGRAMS	Site – Local Control Funding Formula (LCFF) <u>Purpose:</u> Support high need students, low Income, English Learners, foster and homeless youth.	\$-	FEDERALLY FUNDED PROGRAMS	Title II, Part A: Teacher and Principal Training and Recruiting <u>Purpose:</u> Improve and increase the number of highly qualified teachers and principals.	X
	After School Education and Safety Grant (ASES) <u>Purpose:</u> Provides safe, constructive, and educationally enriching programs for students during non-school hours.	\$137,404		Title III, Part A: Language Instruction for Limited-English-Proficient (LEP) Students <u>Purpose:</u> Supplement language instruction to help limited-English-proficient (LEP) students attain English proficiency and meet academic performance standards.	X
FEDERALLY FUNDED PROGRAMS	21st Century After School Safety and Enrichment for Teens (ASSETS) OR CLCC <u>Purpose:</u> Provides academic enrichment opportunities and supportive services in before or after school programs.	\$	FEDERALLY FUNDED PROGRAMS	Title III, Part A: Immigrant Students <u>Purpose:</u> Supplement instructional programs and services to help immigrant students meet grade level and graduation standards.	X
	Title I, Part A: Schoolwide Program (SWP) <u>Purpose:</u> Upgrades the entire educational program of eligible schools in high poverty areas.	\$			
	Title I, Part A: Targeted Assistance Program (TAS) <u>Purpose:</u> Helps educationally disadvantaged students in eligible schools achieve grade level proficiency.	\$			
	Title I, Part A: Program Improvement (PI) <u>Purpose:</u> Assist Title I schools that have failed to meet targets for one or more identified student groups.	\$141,669

SCHOOL COMMITTEES

School Site Council and Advisory Committee documentation are due by **May 31, 2018**.

Please submit the School Plan for Student Achievement information to DTS with SSC/ELAC/ meeting minutes to document committee requirements including:

- **SSC: Voting process and results, SPSA approval, review of roles and responsibilities.**

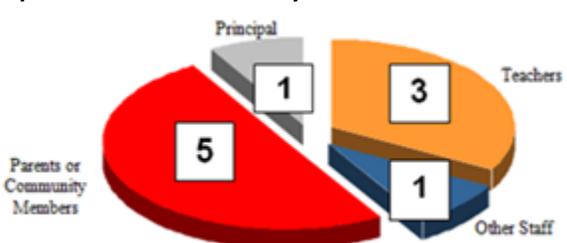

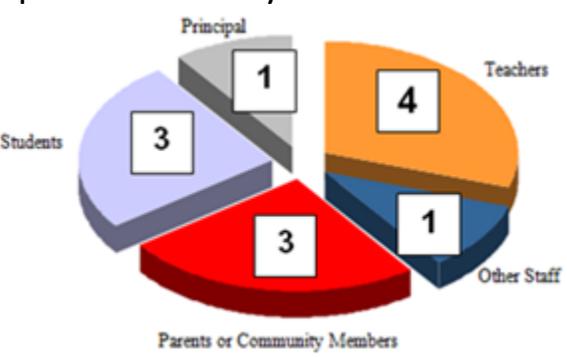

Please note: Evidence including all nomination ballots, voting ballots, and tally sheets must be retained at school site for **3 years**.

Alamitos Intermediate

SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

***RECORDS MUST BE RETAINED FOR 3 YEARS**

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

<p>Composition of an Elementary School Site Council</p>  <table border="1" style="margin-left: 20px; border-collapse: collapse;"> <caption>Elementary School Site Council Composition</caption> <thead> <tr> <th>Category</th> <th>Number of Members</th> </tr> </thead> <tbody> <tr> <td>Parents or Community Members</td> <td>5</td> </tr> <tr> <td>Principal</td> <td>1</td> </tr> <tr> <td>Teachers</td> <td>3</td> </tr> <tr> <td>Other Staff</td> <td>1</td> </tr> </tbody> </table> <p>Composition of a Secondary School Site Council</p>  <table border="1" style="margin-left: 20px; border-collapse: collapse;"> <caption>Secondary School Site Council Composition</caption> <thead> <tr> <th>Category</th> <th>Number of Members</th> </tr> </thead> <tbody> <tr> <td>Students</td> <td>3</td> </tr> <tr> <td>Principal</td> <td>1</td> </tr> <tr> <td>Teachers</td> <td>4</td> </tr> <tr> <td>Parents or Community Members</td> <td>3</td> </tr> <tr> <td>Other Staff</td> <td>1</td> </tr> </tbody> </table>	Category	Number of Members	Parents or Community Members	5	Principal	1	Teachers	3	Other Staff	1	Category	Number of Members	Students	3	Principal	1	Teachers	4	Parents or Community Members	3	Other Staff	1	<p>Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.</p> <p>a. Peer selection process: The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:</p> <ol style="list-style-type: none"> 1. <u>Ballot By Mail:</u> In a letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with all students for parents to vote. Parents from last year's SSC handle this process and count the ballots. 2. <u>Back To School Night Election:</u> In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots. <p>b. Members' terms of office: Members will serve one- or two-year terms.</p> <p>c. Procedure for replacing a member: The procedure for replacing a member shall be pre-determined. Recommended procedures include:</p> <ol style="list-style-type: none"> 1. Mid-year elections may be held. 2. Members are replaced using a peer selection process. 3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.

SECTION E: SCHOOL SITE COUNCIL (SSC) ROSTER

Education Code Section 64001 requires that this plan be reviewed and updated at least annually, including proposed expenditures of funds allocated to the school through the Consolidated Application, by the school site council. The current make-up of the council is as follows:

MINIMUM SECONDARY COMPOSITION

STAFF MEMBERS (6)	
	Principal
1.	Christina Pijl
	Teachers
2.	Veronica Lam
3.	Christopher Clark
4.	Craig Fahey
5.	Christine Aparicio
	Other Staff
6.	Cindy Mount

NON-STAFF MEMBERS (6)	
	Parents/ Community Members
1.	Paulette Bracamontes
2.	Josefina Gonzalez Paredes
3.	Barbara Huffman
	Students
4.	Sarah Millington
5.	Kylee Valencia
6.	Hayley Reyes

NOMINATION PROCESS: CHECK ONE

GROUPS	HOW WERE NOMINATIONS MADE?	DATE
1. Teachers	Nomination Ballot or XVerbal at meeting	08/29/2017
2. Other Staff	Nomination Ballot or XVerbal at meeting	10/2/2017
3. Parents	XNomination Ballot or Verbal at meeting	9/14-9/21/2017

VOTING PROCESS: CHECK ONE

GROUPS	HOW DID VOTING OCCUR?	DATE

SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)

***RECORDS MUST BE RETAINED FOR 3 YEARS**

Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.

<p>Composition of English Learner Advisory Committee</p> <p>COMPOSITION REQUIREMENTS</p> <p>The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. There is no guidance that dictates the size of the committee, but should be of adequate size to fairly represent the population of English learners attending the school.</p>	<p>Describe each of the following steps in the establishment of the English Learner Advisory Committee (Education Code Section 62002.5).</p> <p>a. Voting Process by parents of English learners: An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:</p> <ol style="list-style-type: none">1. Ballot By Mail: In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.2. Voice Vote: In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.3. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians of English learners to vote. Parents from last year's ELAC count the ballots. <p>b. Members' terms of office: Members will serve one- or two-year terms.</p> <p>c. Procedure for replacing a member:</p> <p>The procedure for replacing a member shall be pre-determined. Recommended procedures include:</p> <ol style="list-style-type: none">1. Mid-year elections may be held.2. Members are replaced using a peer selection process.3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.

SECTION F: PLAN APPROVAL PAGE

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The school district assures “that school site councils have developed and approved a plan, to be known as the School Plan for Student Achievement, for schools participating in programs funded through the consolidated application process, and any other school program they choose to include.”
3. School plans must be developed “with review, certification, and advice of any applicable school advisory committees.” The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (Check all those that apply):
 - X English Learner Advisory Committee
 - Community Advisory Committee (CAC) for Special Education Programs
 - Gifted and Talented Education Program Advisory Committee
 - X Other : e.g., School Safety Planning Committee, District/School Leadership Team (DSLTL)
4. Any plans required by programs funded through the consolidated application must be consolidated into a School Plan.
5. The content of the plan must be aligned with school goals for improving student achievement.
6. The school site council reviewed the content requirements for school plans of programs in this School Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the LEA Plan.
7. The plan must address how Consolidation Application funds will be used to improve the academic performance of all pupils to the level of the performance goals.
8. The plan must be “reviewed annually and updated, including proposed expenditures of funds allocated to the school through the consolidated application, by the school site council.”
9. This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated goals to improve student academic achievement. School goals must be based upon “an analysis of assessment data and the English Language Development test, and may include any data voluntarily developed by districts to measure pupil achievement.”
10. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.

This school plan was adopted by the school site council at a public meeting on: ELAC (2/19/19) and SSC (11/16/18, 3/19/19 and 5/29/19)

Attested:

Please keep documents with original signatures at school site.

SECTION F: RECOMMENDATIONS AND ASSURANCES

The signatures below verify that the respective chairpersons, classified person, and administrator have accepted the responsibility for the following assurances:

- Councils/Committees have been formed in accordance with the procedures established by the programs.
- A list of members of each school-level council/committee is available at the school.
- Members of the ELAC, the teachers, and the classified persons at the school have had the opportunity to be involved in planning, implementing, and evaluating the programs.
- The SSC has developed the plan and approved the budget.
- Councils/Committees have been informed that the intent of supplemental funds is to improve academic achievement for students.
- The School-Parent Compact and School Parent Involvement Policy have been developed.
- The SSC concurs that the district may apply for any waivers necessary to implement appropriate supplemental programs to support the district's goals using categorical funds.
