The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.
The following Plan components are addressed in the School Plan for Student Achievement as indicated below:
SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)
(1) Data Analysis Tool: Comprehensive Needs Assessment The Data Analysis Tool includes district and site-level data for to support the analysis of school performance and progress. Data is aligned to our District's Strategic Plan and Local Control Accountability Plan (LCAP). **Data Analysis, Program Analysis, and Needs Assessment**, includes data such as the following: • Academic performance data to determine student needs, State Standardized Assessments • Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program • California English Language Development Test (CELDT)/ English Language Proficiency Assessment for California (ELPAC) data • District Benchmark exams • After school program data • School climate and safety data, including California Healthy Kids Survey (CHKS) • Strategic Plan Survey (Student, Staff, and Parent), Parent Needs Assessment • Input from stakeholders (advisory committees, parents, community, etc.) • The relationship between professional development and the successful implementation of core programs or interventions • Evidence of implementation of monitoring activities in SPSA
(2) Data Review: School Plan for Student Achievement Annual Evaluation The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards. Monitoring of SPSA action plan and progress toward goals. • **Highlight Strengths**: Which data reflected strengths for your school? Which prior year action steps have contributed to these areas of strength? • **Highlight Areas for Growth**: Which data reflected areas of growth needed for your school? How will these areas for growth be addressed in your action steps and

supported by your school's budgeted expenditures? *(new or refined programs, strategies, activities, etc.*

- **Other Key Findings:** What does your overall data show regarding progress towards goals?

(3) District Goal Statements

GOAL 1 Data Review

As you review your Goal 1 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	Goal 1A data indicates % growth in scores as in previous years. Goal 1C data has increased over the past 3 years. Our EL subgroup have shown growth on state assessments.
Which prior year action steps have contributed to these areas of strength?	Irvine offers targeted intervention, homework help support and our after school enrichment opportunities. Mindset and character lessons delivered monthly to students contributed to growth. Student PD day (scholarly habits and FAR) offered at the start of the year and reviewed throughout the year also supported increase in data.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	Improve D/F rate and GPA for our EL subgroup. Improve district and state assessment scores for our EL subgroup.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Provide specific instruction around multiple opportunities for listening, speaking, reading and writing. Provide targeted writing intervention for specific students. Provide after school homework help, and tutoring for students. Provide scholarly habit lessons to develop students self-regulatory skills
Other Key Findings: What does your overall data show regarding progress towards goals?	We continue to progress in ELA & Math as compared to District and Intermediate School Averages. Overall our Goal 1C shows improvement in Scholarly Habits.

GOAL 2 Data Review

As you review your Goal 2 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	Goal 2A shows a high attendance rate and low truancy. Goal 2A shows improvements in work habits and citizenship. Goal 2B shows we have maintained rates about students' social awareness and emotional care.
Which prior year action steps have contributed to these areas of strength?	Action steps Goals 2A and 2B contributed to these areas of strengths.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	Improve Goal 2B sense of belonging and school connectedness. Goal 2C survey results reflect a need to improve school climate for all stakeholders.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Investigate a Summer Bridge program for targeted students. Implement ways to recognize students. Investigate parent education programs to involve parents.
Other Key Findings: What does your overall data show regarding progress towards goals?	Based on this data our students attend school regularly. Students are developing scholarly habits. Irvine will work to improve school climate through activities to engage all stakeholders.

GOAL 3 Data Review

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	The data for Goals 3A and 3B show we are maintaining or improving.
Which prior year action steps have contributed to these areas of strength?	Our action steps for 3A have contributed to student knowledge about college and career options.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	Continue to emphasize the importance of college and career readiness, a-g courses in high school.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	A-G lessons in ELA and as a parent night opportunity. College and Career lessons through CCGI for all students. Continue to offer PSAT opportunity for 8th grade students.
Other Key Findings: What does your overall data show regarding progress towards goals?	Overall data shows that we are sending our students to high school ready to be successful.

School Plan for Student Achievement Annual Evaluation

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.
Plan Priorities	Support English Language Learners to increase academic performance and access the core.
Plan Implementation	Teachers participated in a professional development day focusing on literacy, making meaning and effective expression. Irvine offered after school classes such as homework help, targeted writing and math classes.
Strategies and Activities	Students were given multiple opportunities to read, write, listen and speak with a focus on academic language and content vocabulary. Teachers were given students' CELDT designation status and data on EL student performance. Our major expenses were for teacher hourly pay for providing targeted support classes.
Involvement/ Governance	Irvine SPSA is a working document and reviewed at all meetings with all stakeholders including SSC, ELAC, department chairs and staff.
Outcomes	Irvine continues to investigate motivational speakers and increase our incentives for students.

School Parental Involvement Policy: 2018-19

Involvement of Parents in the Title I Program & Building Capacity for Involvement

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

PARENTING: Help all families establish home environments to support children as students.
1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.   2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.
The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.
All parent meeting, activities, and events are communicated in one or more ways such as: School Messenger broadcasts, emails, and/or text messages; personal phone calls; flyers backpack carried home, school announcements; marquee, Peachjar on website.   A calendar of parent meetings and events is distributed to families. A copy is available on our school website or upon request in the school office.   Parent meetings include: (Exact dates and times for some events still TBD)   September   • Back to School Night (Parent Meeting)   October   • 10 Education Commandments for Parents (Parent Education)

4. **ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.**
5. **Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].**

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All

notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

- The school developed the policy with parent input gathered through surveys, parent meetings, School Site Council meetings, ELAC meetings…
- The school distributes the policy via the website, parent-teacher conferences, back-to-school night, back-to-school parent information packets. The policy is also available in the school office upon request.

. All notices, flyers will be posted on PEACHJAR which can be found on our school website

VOLUNTEERING: Recruit and organize parent help and support.

6. **Our school provides support for parental involvement activities requested by Title I parents.**

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

- The annual parent survey provides parents an opportunity to provide input into parent involvement needs. Survey results are shared with staff and parents, which help to guide the action planning process for the school site.
- Through staff meetings and professional development opportunities, teachers and other staff are educated about the value of parent contributions and how to work with parents as equal partners.

9. **Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.**

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

- Parent nights to explain the Academic Content Standards, assessments, A-G Nights
- Parent education opportunities, such as the 10 Educational Commandments, 40 Developmental Assets, etc.
- Parent meetings and parent conferences

DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.

10. **If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**
11. **Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

The school invites parents to participate on the School Site Council and other parent committees. Parents are also involved in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey.

COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.

12. **Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.
- **The school's responsibility to provide high-quality curriculum and instruction**
- **The ways parents will be responsible for supporting their children's learning**
- **The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities**
